EDUCATION

Savannah College of Art and Design (SCAD)
BFA Motion Media Design, Nov 2024

EXPERIENCE

Scholar
April 2025 – Current | Motion Designer | Intern | Hybrid

- Contributed to concept development and visual direction for commercial projects including HPE, Taco Bell, Target, Dentastix, Rakuten, Ring W2, Okta, and Georgia Aquarium × Coca Cola.

- Developed design systems, motion language, and visual assets aligned with evolving brand identities.

- Designed and refined visual assets through Adobe Suite, AI tools, Figma, Cinema 4D, and Maya.

- Integrated client and internal feedback through iterative design processes to align with brand guidelines and project goals.

CIELO agency
Jan - April 2025 | Motion Designer | Intern | Remote

- Collaborated on branding and motion design projects, including social media animations and promotional materials for client campaigns.

- Utilized AI tools to generate composite imagery and contribute to early stage promotion concepts, expanding from a 3D-focused background into a well-rounded generalist.

2025 Comotion
Winter 2024 | Motion Designer | Contract | Atlanta, Georgia

- Participated as a 3D motion designer in SCAD's student-led motion design conference, contributing to the 2025 CoMotion title sequence.

Google X SCADpro
Summer 2024 | Motion Designer | Contract | Atlanta, Georgia

- Designed and animated motion graphics highlighting AI-driven UI/UX within Google Workspace.
